

Sharpen your team's skills...

STRATEGY • SKILL • COLLABORATION • COMPETITION • EXECUTION

The same skills to success in a fun day of Paintball are necessary to build a successful business unit or team!

A day away from the office...a day to connect! Paintball at PEV'S presents an opportunity for teams to connect and develop communication skills without the atmosphere of a corporate classroom. Your employees will learn to collaborate as they plot to reach a common goal; something that's done every day at work. What could be better than teaching your employees how to work as a team in a fun, exciting and safe experience?

Let the team at Pev's Paintball help YOUR team today with one of our turnkey packages which could include food and prizes and fun for all. With our food permit, we can set up any type of catering from hot dogs to grilled filet or salmon...just let us know your flavor and we will handle the details.

At Pev's you will be assigned your own private guide who will outfit everyone and make sure it is an event you will never forget!

Does it look like your team could use a boost?

Think outside the box and give your employees something they'll talk about for a long, long time. Let Pev's put on a team-building event for your employees. They'll get a much-needed morale boost, learn about one another a little better and share a common experience that makes a team a "team".

A variety of playing fields, terrains, buildings, compounds, bunkers and obstacles are just a few of the things that make playing Pev's Paintball Park a total blast! Our NEW State-of-the-Art Paintball Park is ranked in the top 1% nationally by the Paintball Sports Trade Association. We can serve 500 players a day and soon we'll be at a capacity of 1000 a day!.

We are open all year long with almost any weather... rain or snow.

Paintball enthusiasts can find everything they need at Pev's Paintball. We're conveniently located in Aldie off Route 15 between Haymarket and Leesburg

- 35 miles from DC
- 10 miles from Leesburg
- 12 miles from Manassas
- 15 miles from Centreville.

Our park requires the use of Pev's non-toxic, washable paint paintballs for safety. If you have not played in awhile the new technology is a little kinder...they don't hurt anymore!
